

Seth Anandram Jaipuria College

PROSPECTUS
2022-2023

SETH ANANDRAM JAIPURIA

Padmabhushan Seth Mangturamji Jaipuria (1901-1978), who founded the College in his father's name, **Seth Anandram Jaipuria**, wished the institution to grow into a centre of unbound academic excellence by fostering a spirit of multiculturalism reflective of India's diversity in unity. Accordingly, the VISION and MISSION of the College have been formulated as follows:

VISION:

- The College Logo pronounces ***VidyaAmritamBhava***. Knowledge fuels the progress of humanity beyond life. Thus AMRITA might be tasted through VIDYA.

MISSION

- To provide easy access to higher education with an array of varied streams and subjects.
- To maintain gender equality by running three shifts: girls' section in the morning shift, co-education at day and boys' section in the evening shift.
- To promote a mass approach to education by bringing within its fold students of all castes and class and also of varied linguistic and intellectual abilities.
- To be at par with modern educational policies by laying equal emphasis on skill-development and core-values.
- To pursue holistic development in a sustainable manner.

Principal's Message

2022- 2023 is a historic phase in all senses of the term. It evolved with calamities not experienced in the last hundred years. The second wave of the pandemic lashed at us with a violence and fury never known before; never before did the world witness such a global defeat to death and disease.

Education at all levels suffered a hard blow; conventional modes of assessment, assignment and infrastructure failed as children and youth remained locked indoors; institutions of learning shut down for an indefinite time. Yet it was once again proved that human spirit is irrepressible and unstoppable. Technology emerged as a strong alternative forcing us towards a digital mode. Swiftly and silently, we shifted base from the manual to the technological, exploring immense possibilities of the digital drive.

Life emerged as not so bleak after all. Loss and suffering brought us together and compassion cemented our bond of understanding. With vaccination and advanced medical vision, human civilization slowly tottered back towards a semblance of normalcy, though with some trepidation .

Challenges are meant to be encountered not avoided. We look forward to a meaningful future by battling against all odds. It is clear by now that life henceforth will revolve around the New Normal. Masks, gloves, sanitizers and social distancing will be the new norm. We are yet not sure when in - person classes can be held. To sustain good health and secure young lives should be our prime concern at the moment. There might be a delayed start to the classes and semester durations might suffer but all such deviations have to be taken in the right spirit and not make us panic too hard. We need to have faith and trust in each other and patiently wait for the stable times to arrive.

The process of learning is as immortal as the virus itself. It is synonymous with the human race and humans are here to stay. Vaccines are now within our reach to eliminate the virus but no force in the world is strong enough to restrict the flow of Higher Learning. So a cheer up to all the new entrants to this college. A warm welcome to the new batch of 2022!

You are the fourth batch in the CBCS mode launched by the university in 2018. The system lays equal stress on Attendance, Internal Examination, Tutorials, and End Semester Test. The UG course entails six semesters in three years with each semester spanning six months. The system is demanding and calls for your active participation and serious engagement.

Education in the new normal can vary from online or offline to a blend of both. Right now, we are spectators to an evolving situation and nothing can be declared with finality. However, the comfort and convenience of our students is always our priority. You have been brave hearts for the last one and half year and I am sure you will continue to be so. Our battle against the unseen enemy will soon be won.

Wishing good health to all!

Dr. AsokMukhopadhyay

About the College

(1945 – 2022)

Seth AnandramJaipuria College in North Kolkata is famed for its immensity. With around 5000 students and more than 200 teachers and non-teaching staff, it is one of the few colleges in West Bengal running in three shifts and catering to all three streams of Science, Arts and Commerce. Housed in one of the spacious buildings of erstwhile ShovabazarRajbari, it claims 18 Laboratories, a free WIFI zone, a Gymnasium, an Audio-visual Room, Smart Classrooms , Library and Reading Room and a Board Room. The greenery is not in plenty but a curated lawn and small stretches of garden are well in place.

With Rs. 1,75,83,333.00 received as RUSA (RashtriyaUchchattarShikshaAbhiyan) grant, process is on to install two lifts of 10 and 16 passenger-capacity, promote vertical expansion of the building and harness alternative energy resource through solar panels on roof top. Established in 1945 and inaugurated by Pandit Jawaharlal Nehru on 22nd December, the institution has traversed a long way towards reaching a glorious 75 ! Padma Bhushan Seth MangtaramJaipuria , established the college in memory of his father Seth AnandramJaipuria , as a service to higher education in pre-independent India. The college owes deep gratitude to the Jaipuria family for their contribution to education especially to female education in Bengal. As a mark of respect the college has instituted 'The Seth AnandramJaipuria Memorial Lecture' to be delivered every Foundation Day.

The college has secured a B+ rank in its first NAAC screening. Other awards and laurels have also come its way from time to time. Mother Teresa International Award Committee (under the aegis of All India Minority and Weaker Sections Council) has conferred the 'Mother Teresa International Award' for being The Best College of the year 2018. As per ranking by Edu World (an ISO certified Education Service Provider based in Bangalore) of 100 best colleges in India, (published in Education World, a Human Development Magazine, May 2020) Jaipuria College has achieved a pride of place as the 55th top college in India and the 11th best in Kolkata.

Flexibility and freedom are the two major goals ensured by the college. Students are offered a wide range of subjects and a variety of combinations to choose from. The number of Courses run are also aimed at satisfying all student categories. There are seven Departments in B.Sc. (Honours), nine Departments in B.A. (Honours) and three in B.Com. (Honours). Commerce is the most expansive department spanning all three shifts and allowing maximum number of student- intake. B.A. General and B.Com. General courses are also available in the Morning and Evening shifts respectively.

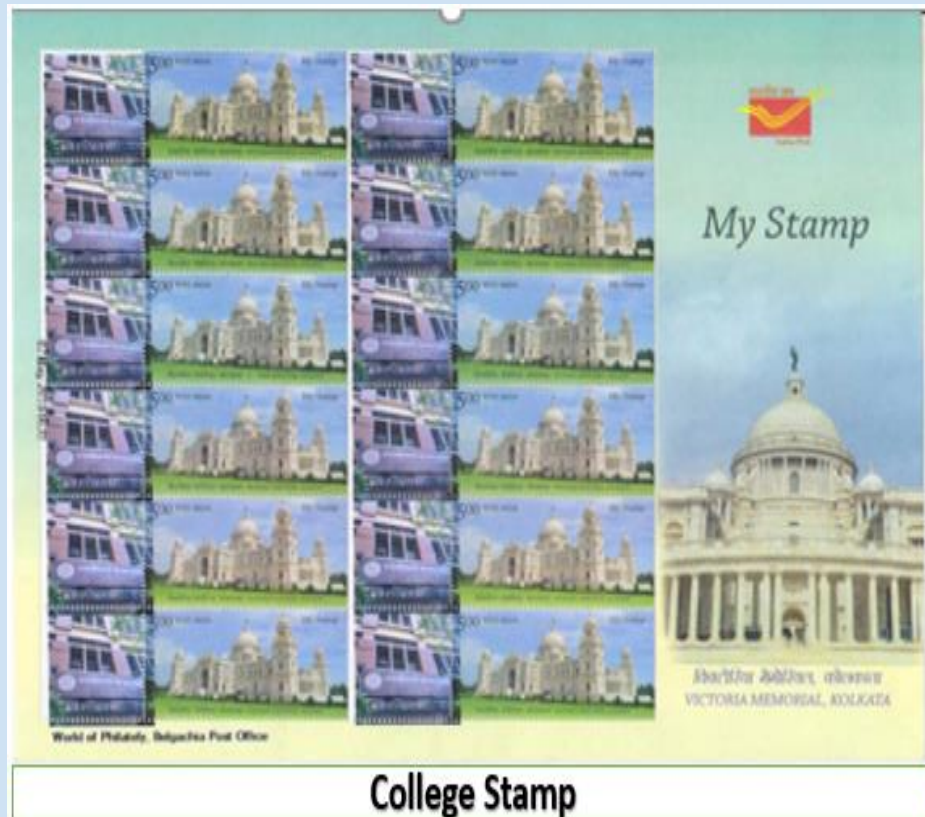

All undergraduate courses are framed in the semester mode under the CBCS or Choice Based Credit System introduced in 2018. Promoted by UGC, it is essentially a student

centric programme for uniformity in higher education all over the country and for competency of students to compete at par with other states at the national level. The programme is skill-enhancing and job-oriented with a spectrum of disciplines to choose from. Marks are allotted for Attendance, Tutorials and Internal Assessment; the stipulations in each case are stringent and mandatory. Extra curricular activities like Sports Day, Foundation Day , College Social , Seminars, Picnics and Excursions are held every year with much excitement and interest. Placement and career enhancement of students are also supported by a designated cell.

Jaipuria College is not just a seat of learning but a family of kindred minds with all stakeholders playing significant roles. It carries a lineage of intellectual quest , creative pursuit, extra academic activities and cultural excellence. Generations of youngsters have paved its history leading to the Platinum Jubilee year . Celebration of the jubilee got off to an impressive start with the Foundation Day Lecture on 22nd December 2019. Further academic programmes , supposed to follow throughout the year , were sadly held down by the pandemic . They were replaced by webinars and web talks to conform to the evolving situation . Teaching - learning was also continued as much as practicable .

The present period of turmoil has unsettled the entire educational scenario. Yet, the institution believes that human spirit is undaunting , and its stride towards the centenary will continue unabated.

ACTIVITIES

Our students participate in various curricular and co-curricular activities throughout each session. Commendable performance in such intra and inter college events are invariably recognised and rewarded.

ACADEMIC

- Webinars have been Organized by various departments and IQAC of the college during this lockdown period. Till now eight webinars have been organized by the department of Economics, Commerce (Morning and Evening), Philosophy (Morning), Psychology, Chemistry, Zoology and English (Day).
- College is celebrating its platinum jubilee by organizing seminars by different departments under the broad theme of "Breaking boundaries: Sustainable Development, Diversity and the Ecosystem". Its first seminar was organized by pure science departments on 28.02.2020. Prof. Dr. ParthasarathiMajumdar of IACS and Mr. Sekhar Banerjee, Solar Electronics specialist delivered their lectures on that day.

- Seminars are arranged regularly by all departments. Reputed educationists and guest speakers are invited to deliver lectures and interact with the student participants. These programmes supplement classroom teaching and encourage the students to become more academically interactive and updated.
- Teachers /students are motivated to participate in seminars, workshops, held in other colleges/universities/academic institutions.
- **The Tidings-** An Annual National Workshop on Print and Visual media is organized every year by the Department of Journalism and Mass Communication.
- A telescope on the roof of this college offers unique opportunity to every aspiring sky-watcher to observe planetary movements under expert guidance. Interested students are directed to contact Shri Dinesh Chandra Ghosh (Chemistry Department) for further information.
- Adding joy and colour to the ambience of S.A.Jaipuria College, a film society called Cine Commune has been set up under the aegis of the Department of Journalism and Mass Communication. The society provides ample exposure to cinema of both Indian and global Panorama by organising screening of features and documentaries on a regular basis. Lively interactive sessions are also held on the film's screened. It is a matter of pride that the society now owns its own film archive. For enrollment/enquiry, please contact Shri Abir Chattopadhyay and Shri Arup Ratan Acharjee of the Department.
- Academic Journals of high repute featuring contributions from teachers and students are published at regular intervals by several departments of the college:

<i>J Reader</i>	A Multi-disciplinary Peer Reviewed Yearly ISSN Journal IQAC
Penscape (ISSN)	Department of English (Day)
Sphulinga	Department of Bengali (Day)
Mayukh/Tripatra	Department of Bengali (Morning)

Literature is never complete without imaginative flight of young minds. The stud students of English Honours (Day) channelised their creative imagination to form a group of such thoughtful people called **The Literary Trump**. This journey began on September 23,2016 and awaits fresh minds to join in the creative endeavour with each passing year.

- In compliance with the **Nutrition Week** observed by WHO every year in the first week of September,the Food & Nutrition Department in the morning shift of the college,celebrates a Nutrition Day within the stipulated week. The day is marked by display of posters and models, setting up of food stalls with cheap,nutritious items and common health check-ups. At the end of the day, students winning the recipe contest and poster drawing competition are duly awarded.

- **Study Circle (Morning Shift):** The Morning Shift of SAJC under the initiative of Shift-in-Charge Dr. MouChattopadhyay and Conveners Dr. TarunKantiGhosh, Dr. BaijayantiChatterjee and Dr. ArnabSaha also organises a Study Circle consisting of a series of talks/lectures delivered by the Professors of different departments of the Morning Shift. So far 10 such lectures have been held where the teachers taking out time from their busy teaching schedules have presented original papers. The papers were based on a diverse range of topics like the religious and practical aspects of Swami Vivekananda's Chicago lectures presented by our Principal Dr. AsokMukhopadhyay (Department of Commerce), on 'Theology, Philosophy and the Disruptive non-being of God' by Prof. Rajiv Roy of English Department, on Demonetization and Capacity Building by Dr. TarunKantiGhosh of the Department of Commerce, on the Bhakti Movement in Hindi literature by

Prof. Rekha Singh of the Hindi Department, on the 'Holy Koran: A Feminist Perspective' by Prof. Md. Javed Hassan (Dept. of Philosophy), on 'Proper Names : A Philosophical Perspective' by Prof. SurajitBarua (Dept. of Philosophy) on Bio-diversity and its histories by Dr. BaijayantiChatterjee (Dept. of History), on Myth and Puranas by Prof. Payel Mukherjee (Bengali Dept.), on the Naxal Bari Movement by Dr. ArnabSaha.

- **Spoken Tutorial (Day Shift): Online Computer Courses organized by IIT Bombay:**The "Online Spoken Tutorial Courses" organized by IIT Bombay is successfully running in our prestigious college. The students who have registered for the first semester have completed the online course successfully. The course included video lectures, assignments, online tests and final certification after the test. Students from three major disciplines viz Physics, Computer Science and Commerce have participated in these courses namely C, C++, PHP, MySQL, JAVA, PERL Python etc. Total number of students enrolled for this session was **74** when the semester begun on January 18th, 2016. As a result of team efforts, the first semester of these Spoken Tutorial Courses is completed successfully

in our college. All the efforts taken by the leading faculty Dr. Sudeshna Sawoo as an organizer/course co-ordinator and Mr. Rajesh Misra, Ms. Oindrilla and Mr. Pritam as teachers as well as invigilators for the online tests which was arranged in the IT department of our college and continue to keep up the good work for the coming semesters.

- **Research Activity of Department of Chemistry (Day shift)**

Recent developments in high quality research works on basic and interdisciplinary science has added a drop of glory to the Department of Chemistry in Seth Anandram Jaipuria College. One ongoing major project of Dr. N. Pal on metal-organic framework and synthesis of porous material aimed for invention of new types of metal-chelates for gas adsorption, purification and catalysis. Many new equipments and techniques have been introduced to meet the purpose. Many new crystallographic data has been generated and solved from the newly found crystals of these metal-organic complexes. Another ongoing major project of Dr. S. Sawoo on the synthetic use of near infrared dyes for non-invasive detection of cancer cells is also running in this department. These modified dye molecules would be promising transporter in selective delivery of drugs to the specific cancerous cells. Two sincere research scholars are currently working in these projects. Dr. M. Islam is also pursuing his Minor Research Project on reaction kinetics in this department. The details of the research projects are given below:

EXTRA CURRICULAR

- The Students Council is a democratically elected body of students which has long been called the Students Union. It is now known as the Students Council, by the Govt. Order. It is a statutory body meant to serve the different needs of the students for the positive interest and regular progress of the College. It actively participates in and organizes various events like Annual Sports, Teachers Day, College Socials, Inter-College Competitions, Fresher's Welcome Programme, Blood Donation Camp. They are meant to voice the conscious, integrated opinions of the students to the concerned authority in a congenial manner.
- **The College Magazine** encourages original thought and expression among the students. Three Magazines are published separately by the Morning, Day and Evening shifts. Besides these, separate Wall Magazines are also brought out by each of the three shifts.

- **The Sports and Games Department** of the college has attained a high degree of eminence by virtue of the tireless effort of its student community and the extremely active departmental personnel. As an outcome of this endeavour students of this college have had consistent success in various Inter-College, Inter-University, State, National and International level meets. In the year 2006, a Sports Board was formed for the betterment of and co-ordination among the students interested in sports and associated co-curricular activities.

INFRASTRUCTURE

Library and Reading Room

The college has a well-equipped library with a spacious reading room under the charge of experienced Librarians. The books are classified according to the Dewey Decimal System and catalogued by the Card Index Method.

A good number of Indian and foreign journals, periodicals and magazines, both of general and specialized interests, are subscribed to by the Library for the use of teachers and students. A magazine corner too has been installed in the Library for the benefit of all. For home use, students may borrow one book (volume) at a time against the borrower's card and retain it for a fortnight. Honours students are permitted to borrow two books at a time. Students failing to return books within the permissible period are fined Rs. 2 for each day's delay and no book is further issued to them without the Principal's permission. Books and magazines may also be borrowed against the Reference Card for use in the Reading Room in leisure period, but such books must on no account be taken out of the Reading Room. Borrowers are responsible for the books or magazines issued to them and they are strictly forbidden to lend them to others. Defacing books by scrubbing or any other way is liable to punishment. Books lost or damaged by the borrower will have to be replaced at his/her cost.

The different departments with a rich collection of books cater to their own students through respective **Departmental Libraries**.

Computer facility

The college computer center offers various courses in Computer Education. For anyone interested in combining professional skill in computers along with normal academic pursuit under one roof, this is a good option.

College Canteen

Our college Canteen is a hub of animated activity for the young Jaipurians. It's facilities are open to students of all three shifts of the College. It remains open from morning to late evening. Known for mouth-watering dishes at a reasonable price, the Canteen also caters to the basic requirement of teachers and non teaching staff in separate rooms. Efforts have been made recently to refurbish the Canteen by giving it a splash of colour and introducing sleek new furniture.

Book Stall

The college Book stall offers books and stationery at a reasonably lower price compared to the market rate. Every Jaipurian can avail of this facility. The Book Stall is a student-friendly outlet run exclusively for the interest of the students.

Students' Common Room

There are two spacious Common Rooms in the college- one for girls and the other for boys. Both are housed in the first floor of the building and both offer provisions for indoor games like Table Tennis, Varron, Chess and the like.

Elevator

Construction of an elevator with a carrying capacity of 10 to 12 people using the RUSA fund has been started.

Awards/Stipends/Concessions

- **The Late Professor Deepak K.Bose Memorial Award** is awarded annually to two deserving students in the department of political Science. The award, founded by the family of the late teacher carries a monetary incentive to be expended on books. The award is given to the top scorers from the Department in the final year University Examination. The award ceremony is marked by a Memorial Lecture in honour of the Late Professor.

- **Seth AnandramJaipuria Memorial Awards for Academic Excellence** are presented to the highest scorer of each department in the final year University Exam. The presentation ceremony is held on the Foundation Day of the College on 22nd December every year
- **Professor JabaChatterjee Memorial Awards** are presented to the three toppers of the Department of English (Day) every year. The award ceremony is marked by a Memorial Lecture sponsored by our college in revered memory of the late Professor.
- **Professor BaniBhushanDasgupta Memorial Award** is presented to the highest scorer in English (Honours) every year.
- **Professor Banibhushan- Amiyabhishan Memorial Awards** are presented to the two most deserving students from First and Second year English (Honours) every year.
- **The Students' Fund Scheme** renders financial assistance to deserving students to meet their tuition or Examination fees or to purchase books relevant to under graduate studies. The Fund is composed of contribution from University Grants Commission (if available), and also from the students.
- **Free Studentship and Half Free Studentship** are granted every year on a merit-cum-means basis. The College notifies the date for submission of application and the list of necessary documents. The continuation of all stipends, aids and the like is subject to good conduct, regular attendance and satisfactory academic performance. Students enjoying any kind of Government Scholarship are not eligible to partake of this grant.
- **Railway Concession Forms** can be obtained from the college office by outstation students and applications made in accordance with Railway guidelines.

CODE OF CONDUCT

1. Any failure to comply with the attendance-rule may ultimately lead to loss of one academic year.
2. Although the College does not insist on a formal dress code, it is expected that the students will wear decent clothes within the college premises, keeping in mind the sanctity and reputation of an academic institution. We leave the choice to the students, but the liberty should not be misused.
3. Use of mobile phones in the classrooms/library/laboratory/corridor is strictly prohibited. An breach of conduct may invite severe punishment like permanent confiscation of the mobile phone.
4. The Principal may in the interest of the institution require a student to leave the college without assigning any reason. In such a case transfer certificate will be issued free of charge.
5. Reports are sent to parents or guardians about the conduct and quality of work of the students. The Principal invites co-operation of the students and their guardians in making the process of education fruitful and in maintaining general order of discipline. All the Departments in the College regularly organize Parent-Teacher-Meeting. The Parents are apprised of the Academic Performance, Attendance and General Conduct of their Daughters/Sons.
6. Students of all three shifts should always carry student's ID cards, Acknowledgement Cards and Produce such Cards at the entrance of the College

PASSED OUT STUDENTS ARE NOT ALLOWED TO ENTER THE COLLEGE PREMISES WITHOUT PERMISSION OF THE COLLEGE AUTHORITY

7. Students are strictly prohibited from making noise on the college corridors and as a whole in the entire campus. No one can misuse the green space/the garden/the corridor for playing any kind of game. Any act which disturbs the discipline of the college is treated as punishable offence.

The Internal Complaint Committee

The Internal Complaint Committee (ICC) of the College has been constituted as per UGC (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015

This committee is meant to deal with the issues of gender based violence and to conduct gender sensitization programme.

To lodge any complaint, please mail at
